

IACMAG Symposium 2019 | 5 - 7 March 2019

IIT GANDHINAGAR

CALL FOR ABSTRACT FOR TECHNICAL PAPERS

IACMAG in collaboration with Indian Institute of Technology Gandhinagar will host IACMAG Symposium on March 5 - 7, 2019 at IIT Gandhinagar, Gujarat, India.

Abstracts for technical papers are welcome on the following topics:

MAIN TOPIC	SUGGESTED SUBTOPICS
Earthquake Engineering	<ul style="list-style-type: none">- Dynamics of geomaterials- Earth embankments and dams- Bridges- Buildings
Ground Improvement	<ul style="list-style-type: none">- Geosynthetics- Bio-treatment- Expansive soils- Soft clays
Constitutive Modelling	<ul style="list-style-type: none">- Geomaterials- Multi-scale modelling- Micro-structural instabilities, Liquefaction- Chemical and Bio effects in geomaterials- Field/Laboratory Testing

WORKSHOP

Pre-symposium workshop on 'Behavior of Civil Engineering Materials' will be conducted on March 4, 2019. The workshop will be of interest to the faculty, students and practitioners involved in simulation of various kinds of structures. Further details will be provided soon on the symposium website.

ABSTRACT SUBMISSION PARAMETERS AND REQUIREMENTS

Please submit a 300-word abstract describing the proposed content of technical paper at events.iitgn.ac.in/2019/iacmag. The abstract submission site opens on Wednesday, May 28, 2019. Authors of accepted abstracts will be required to prepare a full length technical paper and adhere to the submission schedule outlined below. The Technical Program Committee will select papers for verbal and poster presentation. Authors will be expected to personally make a presentation at the conference if selected. The conference proceedings will be provided online for download and/or printing, and access will be granted to all conference attendees as part of their registration fee. Abstracts will be provided in the printed conference souvenir book. The Technical Program Committee may select outstanding submissions for paper awards. Exceptional papers may be recommended for publication in International Journal of Geomechanics of ASCE.

DEADLINE DATE	DESCRIPTION
Monday, July 16, 2018	Interested Authors should submit an Abstract of not more than 300 words online at events.iitgn.ac.in/2019/iacmag/ . Details and submission forms are available through the website. Incomplete submissions will not be considered.
Wednesday, August 8, 2018	Authors will be notified of their acceptance status. If selected, an original technical paper will be required.
Monday, August 20, 2018	Authors confirm willingness to write draft paper.
Friday, September 28, 2018	If abstract is selected, Draft Papers (10 pages) and Exclusive Publishing Agreements from Authors due.
Tuesday, October 30, 2018	Draft Paper reviews complete; decision on presentation status, and review comments to be returned to Authors.
Friday, December 14, 2018	Final Paper from accepted Authors due (10 pages).
Monday, March 4, 2019	Pre-symposium workshop on 'Behavior of Civil Engineering Materials'
March 5 - 7, 2019	International Symposium

**International Symposium of
International Association for Computer Methods and Advances in Geomechanics
at
Indian Institute of Technology Gandhinagar**
